

PERSONAL PROTECTIVE EQUIPMENT POLICY

Ashburton Crane Hire shall as far as practicable identify and eliminate or control hazards in the workplace.

Personal Protective Equipment (PPE) shall only be employed as a control measure where:

- It is not otherwise practicable to eliminate or control the hazard effectively: or
- As an additional protective measure to existing control mechanisms.

Notwithstanding the above, Ashburton Crane Hire shall supply and maintain PPE for employees as necessary to ensure they are adequately protected from hazards in the workplace.

All PPE provided by Ashburton Crane Hire shall comply with the relevant current Australian Standard.

Employees and Visitors shall use PPE as required by Ashburton Crane Hire and shall immediately inform their Manager of any defects or deficiencies in such equipment of which they become aware.

Management of Ashburton Crane Hire shall ensure that:

- All tasks are risk assessed to determine the requirement for PPE;
- The selection, supply and maintenance of PPE is suitable and sufficient to adequately protect the users from hazards;
- All persons required to use PPE receive appropriate instruction, information and training in the safe use and maintenance of PPE;
- The requirement to use PPE is enforced; and
- Clear and appropriate signage is displayed in areas where PPE must be worn.

A handwritten signature in black ink, appearing to read 'Guy Black', is written over a faint background image of a yellow crane truck. The signature is fluid and cursive.
